Please see notes on back of the page

[°] **Types of events: Seminar (S)/Lecture (L)/Exercise (E):** In the Exercise, the application of the methods learned in the Lecture is illustrated using numerous examples and exercises. The Exercise is part of the Lecture, an exercise date can be chosen according to the group assignment at the beginning of the semester.

* **Exam type:** K=written exam, P=presentation/term paper/oral test etc.

Elective: Course capacities limited, prior knowledge required (preliminary examination possible)

List of Business Courses Taught in English - Bachelor Programs

You can find **course descriptions** for all of our degree programs at bachelor level here:

<https://www.hs-rm.de/de/studium/studienorganisation/wiesbaden-business-school>

Please note the various examination regulations (POs), e.g. PO 2016 (old) - PO 2023 (new).

In the **winter semester 2024/25**, the first, second and third semester courses according to the old POs will no longer be offered, but those of the new POs will be.

The courses from the list above are courses from four different programs and six different levels. Therefore, it can happen that some of the courses overlap time-wise.

The **timetable** for the following semester is published only four weeks prior to the beginning of semester so that there might occur some minor changes in your planned courses or your learning agreement.

But the choice is big enough and you can change and switch courses until end of April respectively until end of October.*

Learning Agreements can be completed after arrival. EU-Incomings please use the Online Learning Agreement (OLA): **European** Erasmus+ student mobility (<https://learning-agreement.eu/>): WBS Exchange Program: Marina Grusevaja/Isabelle Meissner OLAIin.office-wbs@hs-rm.de or Isabelle.Meissner@hs-rm.de

WBS Lecture Guide:

For an overview of all WBS courses (taught in English and German) during the semester, please compare https://www.hs-rm.de/fileadmin/Home/Fachbereiche/Wiesbaden_Business_School/Aktuelles/vz.pdf

Guide to Course ID:

Please always use the Course ID when communicating. Only the course ID clearly describes the course with its five-digit number, the course name is often ambiguous. The first number stands for the study program, the second for the degree, the third for the semester.

For example, course ID **71412** =

7 (Program: 7= International Management),

1 (Bachelor / Master = 2),

4 (4th semester),

12 (course).

*Please note that there may be short-term changes or deviations.
